Not sure we will have a year end banquet considering we only had 2 comps all winter.

I don't have any recap of the JNs
Other than this:

Results from yesterday's individual skijumping competition. The 2nd comp round was cancelled due to wind.

U16 - Jacob Larson 9th place

U20 - Gabriel Jacobson 6th place

2024 JN Team jumping competition from March 1.

1st and 3rd place went to the Eastern Division

2nd place Central Team 1

Gavin Mjolsness (Itasca)

Isaac Larson (Ishpeming)

Jacob Larson (St Paul)

Anders Giese (Norge)

9th place Central Team 2

Isaiah Langer (Cloquet)

Bart Dziejczic (Norge)

The 2024 Junior Nationals have come to a close!

We are so proud of our jumpers: Jacob and Gabriel!

You represented yourself, your club and your division tremendously!

I'm sure you can come up with something from these FB posts.

Nothing to add on summer jumping yet.

Good afternoon!

I'd like to get some notes on the JNs and any other year-end wrap-up stuff; specifically thinking about the junior awards event. I will take down the notice about end of competition season, and maybe put it something about summer training, suggest watch for schedule. Am I missing anything?
