

The “24-Hours” of Ski Jumping - Saturday January 22, 2022

Athletes have the option to track the number of jumps and distance flown for special National Ski Jumping Day prizes! Skiers are encouraged to have fun and ski safely (don't over do it!). *While Sat Jan 22 is the “Official” day, you can log your jumps on Fri Jan 21 OR Sun Jan 22 if you wish.* Whoever is interested in participating should follow the steps below:
